## ZERO (0) is not a jersey number

**NFHS football rules allow players to wear 1-99 on their jersey.**

The use of the number "0" is **not** a legal number. Players who wear this number should be sent off the field until they get an approved number.

## ~ TRANSFER FORMS ~

Please remember that any student who did not attend your school or your feeder middle school the entire year last school year is considered a transfer. A transfer form must be completed on all transfer students.

## ATTN Athletic Directors and Coaches

Arbiter Game Notes - Please make sure that you have your game notes entered in arbiter for each home game. These notes instruct officials on any special instructions about your home game information that they need to know. This can include but is not limited to: where to park, the location of their locker room, physical address of their changing facilities, etc. [jan@schsl.org](mailto:jan@schsl.org)

Chain Crews - The home team must have a chain crew for their games. We understand with COVID that the persons you have to run the crew may change each week. Please make sure that the members of the chain crew are adults. [charlie@schsl.org](mailto:charlie@schsl.org)

PLAYOFF INFO - Please submit how your region will qualify teams for the playoffs if all teams cannot play a full region schedule. This needs to cover all Fall sports and must be turned in prior to any region games being played. Please send this to Kayla at [kayla@schsl.org](mailto:kayla@schsl.org)
