Subject: 2022 Basketball Playoffs

Date: January 14, 2022

Greetings,

I trust this finds you doing well as you begin the second half of the academic year. I wanted to share information as it pertains to basketball playoff dates. Last April, the Executive Committee approved the dates and times for the basketball semi-finals and finals. This information was shared with member schools at that time and was shared again at the fall classification meetings and in the basketball rules clinics.

This week, the Executive Committee was presented with the playoff dates and times that are specific to each gender and classification. That information is attached. As you will notice, the first playoff game is not scheduled until February 16, 2022. Starting the playoffs on this date will provide schools and regions additional dates if needed to determine who will qualify for the playoffs. The semi-finals and state finals sites are set and are as follows:

Upper State Semi-Finals – Bob Jones University
Lower State Semi-Finals – Florence Civic Center

State Finals – USC Aiken Convocation Center

Should you have any questions regarding this issue, please feel free to contact me.

Sincerely,
